

# SLIMLINE VOGUE®

INDUSTRY LEADING VERTICAL BLIND SYSTEM

ROBUST AND RELIABLE LOUVOLITE'S SLIMLINE VOGUE® SYSTEM IS OUTSTANDING FOR ITS SMOOTH OPERATION AND DURABILITY.

Sleek and stylish Slimline Vogue® is available in 6 fashionable colours to suit all decoration styles.

Unique equidistant linked carriers with stainless steel links for improved aesthetics and lasting quality.

10 year life cycle tested for reliable smooth operation that your customers will notice.

Wand operation for convenience and child safety.

Available as 5m tracks for wider windows and bi-folding doors.

UV stabilised prime materials used to guard against ultraviolet degradation for durability.

Self-aligning carrier trucks have limit stops allowing the louvres to rotate 185° for better closure and privacy.

Features slimmer profile end caps to reduce lightstrike and for extra privacy.

## SLIMLINE VOGUE® MOTORISATION

Cost effective motorisation to rotate all louvres.
