

Important: When ordering Panel Blinds we need to know the number of panels required for each blind. The chart below gives the blind width and the possible number of panels and the width of each individual panel, for the blind size you require. The measurements shown are the finished width of each individual panel when the blind is made.

Panel Blind Width Chart

Blind Width	ONE WAY			SPLIT DRAW			Blind Width	ONE WAY			SPLIT DRAW		
	3 panel	4 panel	5 panel	4 panel	6 panel	8 panel		3 panel	4 panel	5 panel	4 panel	6 panel	8 panel
	3 channel	4 channel	5 channel	3 channel	4 channel	5 channel		3 channel	4 channel	5 channel	3 channel	4 channel	5 channel
